2c. Describe the commercial, social or environmental impact of your previous research work

- **Public safety:** This is one of several designated areas where you can stand upright during the day. You can move about freely in this square. . . . Your hand can be seen from the living room window. You just killed Kevin. . . . I can't hear you, Kevin. You're dead.
- **Inclusiveness:** Every time someone steps up and says who they are, the world becomes a better, more interesting place

2d. Demonstration of relationships with end-users

- **Community engagement:** I have a strong record of engaging with end users, of particular relevance was the public relations campaign I led for the New York Police Department.
